

21 Cornhill,

March 12 / 55.

My dear Sir;

I have put you up a  
bundle of tracts, viz.

300 of No. 5 (Dr. Palfrey's)

and

100 each, of Nos. 2. 3. & 4.

in accordance with your request.

Of No. 1, we have hardly any  
left; and so I send you but  
a very small lot. We shall  
have a <sup>fresh</sup> ~~new~~ supply soon?

In addition to the above, I have  
put in the volume of Arncliffe's  
"Tribute to the Negro"; also, three  
or four little volumes, as specimens  
of the English Antislavery  
publications; — a few copies

of Phillips's argument  
in the case of Judge Loring, &c.  
These I forward by Thompson & Co's  
Express.

I preached at Lynn  
yesterday (for Samuel  
Johnson's Society.) — I  
called to see your brother  
Charles & wife. I found  
them all well, & very  
pleasantly situated, so  
far as I could judge.

We have Solomon  
Northrup here, just now.

We have 3 or 4 more  
tracts in process of stereotyping.

Your letter came, requesting documents to be sent to Albany. It was seen by Phillips & Garrison. - There seemed to be nothing, of the nature you wished, to send, & nothing was done. Phillips said ~~some~~ that a Law was then drafting for our Legislature, of a kind similar to the one proposed for your Assembly. Whenever a copy of it can be procured, I will endeavor to forward it.

Very truly Yours  
Frederic & Corwin, with much  
love to all yr. family,  
— S. May, Jr. —

W.S. My wife's health  
is considerably improved;  
but she is still quite  
weak. —

Dear Mary Jr
